Overview

- Every time you log in to the DMS, you'll be directed to the Dashboard Tab.
- The Dashboard *Tab* can be customized by each unique user by selecting *Configure Your Dashboard* in the top left of their screen.
- You can also update the data on the page by selecting the *refresh icon* in the top left-hand corner of each dashlet report.

Dashlets

- Dashlets are mini-reports or widgets that contain insights about your Contacts, Contributions and Activities.
- You will be directed to select from the available Dashlets you wish to see when logging in to the DMS.
- Build your own customized Dashlets from the Reports tab learn more

Configuring Your Dashlets

1. After logging in, you'll see a few Standard Dashlets and Charts:

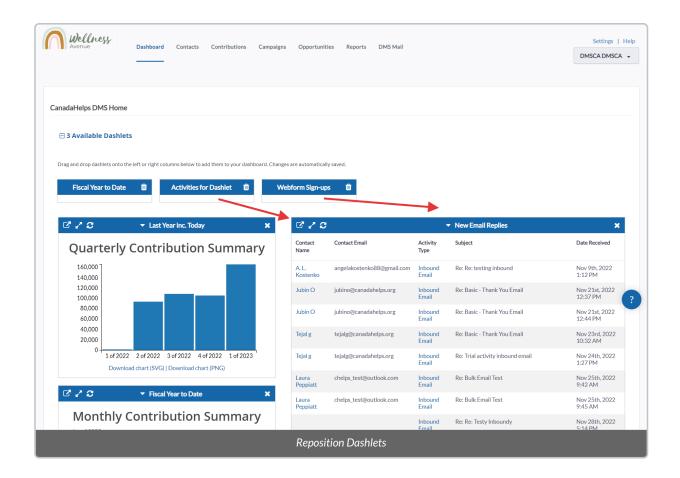

- New Email Replies: Your User's latest inbound emails (whenever a Contact sends an email to your DMS From Email).
- Latest Contributions: Your Top 10 Contributions listed in your DMS.
- Activities: Your User's latest scheduled Activities. This does not include Contributions or emails and letters

- a) See the corresponding Report for that Dashlet.
- b) Expand the Dashlet to a pop-up. Useful if you'd like to see more than 10 records at once.
- c) Refresh the data displayed on the Dashlet.
- d) Retract the Dashlet for a more compact view in your dashboard.
- e) Remove the Dashlet from your dashboard, sending it to your lit of Available Dashlets.
