[Donor Management System] June 28, 2021

What's New

- Modify CanadaHelps Contributions directly in your DMS

- Add Charts to Reports and your Home Tab

- The Home Tab has a new whole look

Bug Fixes

- [Advanced Search] "Any" option not getting replaced when another option is selected for Address field under Advanced Search for Contacts

- [Advanced Search] Set "Contribution is a Test?" to No by default

- [Receipts] The receipt sync tool with CanadaHelps.org should support the case in which a receipt is voided but the contribution is not
