[Donor Management System] May 20, 2021

Last Modified on 12/08/2021 10:04 am EST

What's New

- Add Custom Reports
- Sort Reports
- Add Custom Dashlets
- Export Custom Data for Contacts and Contributions

Bug Fixes

- [Export] Fixes an issue where the "Contribution Notes" were not mapped properly on export, thus did not export to the CSV file.
- [Contributions] Fixes an issue where the "Contribution Notes" were not mapped to the proper field for online transactions.
- [Receipts] Allows a Charity to void a receipt but preserve the contribution as completed (not refunded) and valid.
