[Donor Management System] November 1, 2021

What's New

- It's even easier to thank your donors and send tax receipts with multiple email templates!

- **Contact Search** is now more intuitive by using "***FirstName LastName***" format.

- Option to update **Contact Types** (e.g. from Individual to Organization).

- Additional Donor Retention report and dashlet.

Bug Fixes

- [Exports] Fixed issues around missing and duplicate data when exporting opportunities in .CSV format.

- [Contributions] Improved ability to update billing details for DMS Credit Card recurring transactions.

- [Advanced Search] Fixed display results when searching for two or more cities.
