What's New

- Improvements to: [Contacts] Unsubscribe Updates to Users Email preferences
 - When User unsubscribes from a bulk email:
 - User's privacy settings will update to No Bulk Emails.
 - They will not receive any bulk (or group) based emails.
 - Unsubscribe is not available on transactional emails (tax Receipt, Reset Passwords, other transactional emails).
 - This does not apply to Thank you emails (as they are combined with Receipts).
