Donor Management System

What's New

- **Contribution receipted field:** We've added a new field to help search for receipted Contributions! Find it above the Receipt Number field.
 - With this new feature, when a contribution is receipted through the DMS or by CanadaHelps.org, the Contribution will be marked as "*Contribution receipted*".
 - When entering a manual contribution that was receipted in the past or through a different way, "*Contribution receipted*" checkbox can manually be checked, preventing it from being receipted in the DMS.
- **Recurring Donations:** You can now Advanced Search for your Recurring donations from CanadaHelps.org.
