Donor Management System

What's New

- **CanadaHelps Sync Improvements**
 - **Disbursement date:** You can now see the date that your CanadaHelps contributions were disbursed to your organization within your DMS. Find this field within the [Contribution Details](#) page of a contribution, or while [Advanced Searching](#), [exporting Contributions](#), or [building Contributions Reports!](#)
 - **Cover the fees:** Not only do the CanadaHelps fee amounts sync to your DMS, but you'll now be able to see if a donor has covered the CanadaHelps fees while donating. Find this field within the [Contribution Details](#) page of a contribution, or while [Advanced Searching](#), [exporting Contributions](#), or [building Contributions Reports!](#)
